

¿Qué echo de menos
de Costa Rica?

Echo de menos los monos

**Echo de
menos
bucear**

Echo de menos las playas

Echo de
menos
pasar
tiempo con
mi nieta

A wide river flows through a dense tropical forest under a clear blue sky. The water is calm with some ripples, and the banks are lined with lush green trees and bushes. The overall scene is peaceful and natural.

**Echo de menos
las aventuras**

Echo de menos el café

**Echo de menos
los bosques
lluviosos**

A large crocodile is resting in a muddy, shallow body of water. The crocodile's head is on the left, facing left, with its mouth slightly open showing its teeth. Its body extends to the right, with its tail partially submerged. The water is brown and reflects the surrounding environment. There are some green plants and small debris in the water. The background is a muddy bank.

**Echo de menos ver los
crocodrillos**

Echo de menos
las caminatas en los
parques nacionales

Echo de menos las iguanas

¡Hola!

¡Y más iguanas!

Echo de menos visitar ciudades nuevas

Y echo de menos el resort
